## **The Six Keys to a Successful Interview**

- 1. Know the company and the job**
- 2. Make a good first impression**
- 3. Highlight you skills**
- 4. Be ready for problem questions**
- 5. Close the interview by “selling yourself”**
- 6. Follow-up after the interview**

***To get the job you want,  
Use the three P's***

***Preparation, Practice, Persistence***
