

Name: _____

Ways to Find Employment

- 1. Network for Referrals** – Develop your network list of family, relatives, friends, neighbours, and other people you know. Ask each for job leads as well for the names of people who might know of job leads.
- 2. Read and Answer Online Want Ads** – About half of all jobs are advertised online. You must answer the ads within 24 hours to be considered for an interview.

List two online websites:

1. _____
2. _____

- 3. Career Centre** – This is an excellent tool to use and easy to get. The Career Centre will give you a listing of all the employers in the area as well as breakdown by specialty areas who are hiring.

The Career Centre is located: _____

- 4. Go to Job Fairs** – Job fairs and career days are sponsored by schools, or other city organizations. Listen to announcements for advertisements about these events, follow the Career Centre on Instagram and or Twitter or see the Career Centre.

1. *The Career Centre's Instagram is:* _____

2. *The Career Centre's Twitter is:* _____
